Coordinating the creation and distribution of advertising and communication using various media, including print, web, social media, below the line advertising and outdoor spaces.

My responsibilities also include managing company's events, like press conferences, free press and interviews. I also handled relations with media (Radio, TV, Press, etc.)

Currently working on UNDAF document and "Tercer Informe de Escenarios Políticos Prospectivos."

Designing and coordinating the production of communication material for Taco Bell stores in Florida, regarding employee issues like: newsletters, hiring events, incentives, communication boards through electronic and printed mediums.
